To whom it may concern,

It is without hesitation that I, Bob Reardon, co-owner of Air Sound Recording Studio, recommend Patrick Farrant as a talented and professional musician. As a recording engineer, I have had the opportunity to watch Patrick perform, in a studio setting, under pressure with some of Boston's finest jazz musicians. He has shown himself to be a superior guitarist and a serious professional. He is prompt and prepared for each new project. Unquestionably, he is one of Boston's finer studio guitarists.

Sincerely,

Bob Reardon
